Group pavilion at Metropolitan Solutions 2016

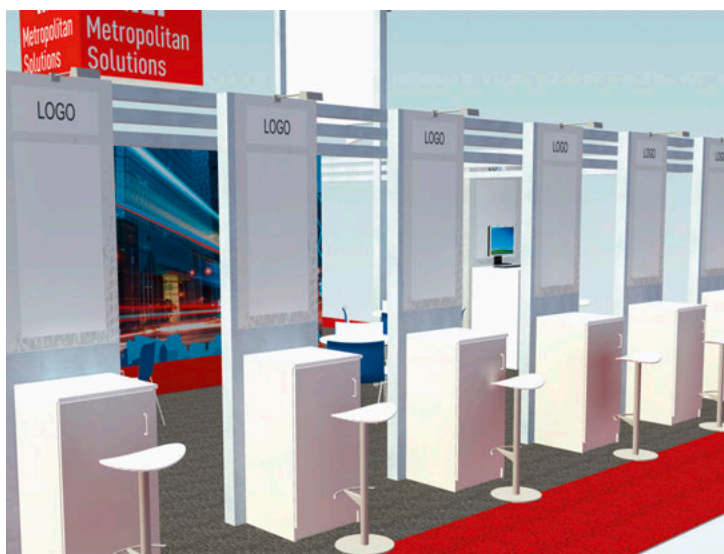

Metropolitan Solutions (Berlin) promotes collaboration by bringing together bright minds, forward-looking practitioners, fresh concepts and promising solutions. This is the international get-together for the people who really count: municipal authorities, public administrators, R&D specialists, corporate players – all of whom rely on Metropolitan Solutions to launch bold new initiatives, and all of whom benefit from the event's special mix of exhibits, conferences and matchmaking opportunities. In short, if smart cities are on your agenda, now is the time to plan your trip to Metropolitan Solutions next spring.

To become an exhibitor at Metropolitan Solutions, all you need to have is an exciting topic. We'll take care of the rest, leaving you free to concentrate on the content of your appearance at the show. We'll provide you with a turnkey package which includes floor space, stand construction, stand services and catering. You'll also have access to our centrally located lounge, allowing you to chat with your clients in a relaxed setting. Our Business Package also includes catering and a waitress service.
